- (c) In order to reduce currency risks where the Partnership invests in significant transactions denominated in currencies other than Canadian dollars, the Partnership may hedge such currency risks.

 - (ii) the General Partner determines in good faith that it would be in the best interests of the Partnership and its Limited Partners for the Partnership to invest in the specified issuer while a Responsible Person is a director or officer of the specified issuer; and
 - (iii) either the specified issuer is not a reporting issuer in any jurisdiction, or the specified issuer is a reporting issuer and the Responsible Person first became a director or officer (as the case may be) of the specified issuer before the specified issuer became a reporting issuer.

Each Limited Partner covenants and agrees that he will upon request, promptly provide evidence to the General Partner that his status under the legislation referred to in Section 2.9(b)(ii) is as represented. In the event that a Limited Partner fails to comply with such a request or in the event that reasonably satisfactory evidence is not provided, or in the event that the General Partner otherwise determines that a Person has become, directly or indirectly, a Limited Partner in contravention of Section 2.9(b)(ii) or (iii), the General Partner, by written notice to such Limited Partner (the "Affected Partner") will require the Affected Partner to redeem all of the Units held by the Affected Partner.

In the event of any such redemption, an Affected Partner shall have the right only to receive the net proceeds therefrom (less any deduction or withholding that may be required under section 116 or any other provision of the *Income Tax Act* (Canada) or any provincial tax legislation) which the Partnership shall pay or cause to be paid to the Affected Partner not later than 60 days following such redemption.

The General Partner shall have the sole right and authority to make any determination required or contemplated under this Section 2.11. The General Partner shall make on a timely basis all determinations necessary for the administration of the provisions of this Section 2.11 and, without limiting the generality of the foregoing, if the General Partner considers that there are reasonable grounds for believing that a contravention of the restrictions contained in Section 2.9(b)(ii) or (iii) has occurred or will occur, the General Partner shall make a determination with respect to the matter. Any such determination shall be conclusive, final and binding except to the extent modified by any subsequent determination by the General Partner.

Notwithstanding anything contained herein, if the General Partner determines that a Person has become a Limited Partner in contravention of Section 2.9(b)(ii) or (iii), such Person shall be deemed to have ceased to be a Limited Partner in respect of the Units held by him or her effective immediately prior to the date of contravention and shall not be entitled to any distributions made by the Partnership on and after such date and such Units shall be deemed not to be outstanding until redeemed; provided that other holders of Units shall not be entitled to any distributions paid in respect of Units that have been so deemed not to be outstanding.

2.12 - Limitation on Authority of Limited Partners.

No Limited Partner shall:

- (a) take part in the control or management of the business of the Partnership or exercise any power in connection therewith;
- (b) execute any document which binds or purports to bind any other Partner or the Partnership;
- (c) hold himself out as having the power or authority to bind any other Partner or the Partnership;
- (d) have any authority or power to act for or undertake any obligation or responsibility on behalf of any other Partner or the Partnership;
- (e) bring any action for partition or sale or otherwise in connection with the Partnership, any interest in any property of the Partnership, whether real or personal, tangible or intangible, or register or permit to be filed, registered or remain undischarged any lien or charge in respect of any property of the Partnership; or
- (f) compel or seek a partition, judicial or otherwise, of any of the assets of the Partnership distributed or to be distributed to the Partners in kind in accordance with this Agreement.

2.13 - Powers of Attorney.

Each Limited Partner hereby irrevocably nominates, constitutes and appoints the General Partner, with full power of substitution, as his agent and true and lawful attorney to act on his behalf with full power and authority in his name, place and stead to execute and record or file as and where required in the opinion of the General Partner:

- (a) this Agreement, the Declaration, any amendment to this Agreement, the Declaration or the Record and any other instruments or documents required to continue and keep in good standing the Partnership as a limited partnership under the Act, or otherwise to comply with the laws of any jurisdiction in which the Partnership may carry on business or own or lease property in order to maintain the limited liability of the Limited Partners and to comply with the applicable laws of such jurisdiction (including such amendments to the Declaration or the Record as may be necessary to reflect the admission to the Partnership of transferees of Units as contemplated by this Agreement);
- (b) all instruments and any amendments to the Declaration necessary to reflect any amendment to this Agreement;
- (c) any instrument required in connection with the dissolution and termination of the Partnership in accordance with the provisions of this Agreement, including any elections under the *Income Tax Act* (Canada) and under any similar legislation;
- (d) the documents necessary to be filed with the appropriate government body or authority in connection with the business, property, assets and undertaking of the Partnership;
- (e) such documents as may be necessary to give affect to the business of the Partnership as described in Section 2.2;
- (f) the documents on his behalf and in his name as may be necessary to give effect to the sale or assignment of a Unit or to give effect to the admission of a transferee of Units or a new Limited Partner to the Partnership;
- (g) all documents on his behalf and in his name as may be necessary to give effect to a sale of Units pursuant to Section 2.15;
- (h) all other instruments and documents on his behalf and in his name or in the name of the Partnership as may be deemed necessary by the General Partner to carry out fully this Agreement in accordance with its terms; and

- (i) any information return, form of election or determination or similar document or instrument as may be required at any time under the *Income Tax Act* (Canada) and under any similar legislation of the federal or a provincial government which relates to the Partnership or the membership of any Person as a Partner.

To evidence the foregoing, each Limited Partner, in executing a Subscription Agreement, and each transferee of Units, in executing a Transfer Form, will have executed a power of attorney incorporating by reference, ratifying and confirming some or all of the powers set forth above.

The powers of attorney granted herein are irrevocable and are powers coupled with an interest and have been given for valuable consideration, the receipt and adequacy of which is acknowledged, and shall survive any legal incapacity, dissolution, bankruptcy, liquidation or winding-up of a Limited Partner, continue despite the mental incompetence of a Limited Partner, shall survive the death or disability of a Limited Partner and shall survive the transfer or assignment by a Limited Partner of the whole (but only in respect of matters relating to such Person's status as a Limited Partner during the time such Person was a Limited Partner) or any part of the interest of a Limited Partner in the Partnership and extend to the heirs, executors, administrators, successors, transferees, assigns and other legal representatives of a Limited Partner, and may be exercised by the General Partner on behalf of a Limited Partner in executing any instrument by a facsimile signature or by listing the Limited Partners and executing such instrument with a single signature as attorney and agent for all of them, with the indication that it is acting on behalf of all of the Limited Partners. Each Limited Partner agrees to be bound by any representations and actions made or taken by the General Partner pursuant to these powers of attorney and hereby waives any and all defenses which may be available to negate or disaffirm the action of the General Partner taken in good faith under these powers of attorney. In accordance with the *Powers of Attorney Act* (Ontario) and *Substitute Decisions Act* (Ontario), and any comparable legislation in effect in the jurisdiction of residence of a Limited Partner, each Limited Partner declares that these powers of attorney may be exercised during any legal incapacity or mental infirmity on his part. Each Limited Partner agrees that all acts of the General Partner are ratified and approved and directs that the General Partner will be fully and completely indemnified against all claims, actions and costs that may be incurred by or imposed on it in connection with the exercise of these powers of attorney in good faith. Each Limited Partner authorizes the General Partner to delegate to any other person any power or authority granted hereunder, as may be necessary or desirable in the opinion of the General Partner. Such delegation shall be in writing and may be revoked or suspended at any time by the General Partner.

2.14 - Limited Liability of Limited Partners.

Subject to the provisions of the Act and of similar applicable legislation in Canada, the liability of each Limited Partner for the debts, liabilities and obligations of the Partnership shall be limited to the amount of money he contributes or agrees to contribute to the Partnership, plus his pro rata share of any undistributed income of the Partnership. Following payment of his Capital Contribution a Limited Partner shall not be liable for any further claims or assessments or be required to make further contributions to the Partnership. Where Limited Partners have received the return of all or part of their Capital Contribution, they are nevertheless liable to the Partnership or, where the Partnership is dissolved, to its creditors for any amount, not in excess of the amount returned with interest, necessary to discharge the liabilities of the Partnership to all creditors who extended credit or whose claims otherwise arose before the return of the Capital Contribution.

2.15 - Indemnity of Limited Partners.

Subject to Section 7.6, the General Partner will indemnify and hold harmless each Limited Partner (including former Limited Partners) for any costs or damages suffered or incurred by the Limited Partner if his liability is not limited in the manner provided for in this Agreement or in the Act or other applicable laws other than any lack of limited liability caused by any act or omission of such Limited Partner, including breach by such Limited Partner of any requirement imposed under Section 2.12.

2.16 - Compliance with Laws.

Each Limited Partner will, on the request of the General Partner, immediately execute the Declaration and/or other documents considered by the General Partner to be necessary to comply with any applicable law or regulation of any jurisdiction in Canada, for the continuation, operation or good standing of the Partnership.

2.17 - Limitation on Activities of General Partner.

The General Partner shall not carry on any business in addition to its activities as general partner of the Partnership.

2.18 - General Partner May Hold Units.

The General Partner may subscribe for and acquire Units or purchase Units by private contract or in the market and shall be entered on the Register as a Limited Partner and shall be shown in the Record as a Limited Partner in respect of the number of Units held by the General Partner from time to time.

2.19 - General Partner as a Limited Partner.

If the General Partner holds any Units, it shall be deemed in its capacity as the holder of such Units to be a Limited Partner with the same rights and powers and subject to the same restrictions as each other Limited Partner, with respect to such Units.

2.20 - Other Activities of Partners.

Limited Partners and their Affiliates and Associates, and Affiliates and Associates of the General Partner may engage in businesses, ventures, investments and activities which may be similar to or competitive with those in which the Partnership is or might be engaged and no such Person shall be required to offer or make available to the Partnership any other business or investment opportunity which any such Person may be engaged in for its own account.

ARTICLE 3. - UNITS

3.1 - The Units.

After giving effect to the redemption of the Initial Limited Partner's Unit, the interest of the Limited Partners in the Partnership shall be divided into and represented by an unlimited number of Units issuable in one or more classes and/or series of Units. There shall be no restriction on the number of Units that a Limited Partner may hold in the Partnership.

3.2 - Nature of Units.

- (a) Except as otherwise provided in this Agreement, no Limited Partner will, in respect of any Unit held by such Limited Partner, have any preference, priority or right in any circumstance over any other Limited Partner in respect of any Unit held by the other Limited Partner.
- (b) No Unit shall have any preference, conversion, exchange, pre-emptive or redemption rights in any circumstances over any other Unit (except as may be specifically provided herein).
- (c) Each Limited Partner will be entitled to one vote for each Unit held by such Limited Partner in respect of all matters to be voted upon by the Limited Partners or any of them (except as may be specifically provided herein).
- (d) Units may be designated by the General Partner as being Units of a series. Units of each series may be issued at a Net Asset Value per Unit as the General Partner may in its discretion assign, and the Net Asset Value per Unit of any one series need not be equal to the Net Asset Value per Unit of any other series. The General Partner may at any time name or rename each such series without otherwise affecting the attributes of such series.
- (e) Each issued and outstanding Unit of each series shall be equal to each other Unit of the same series with respect to all matters, including the right to receive allocations and distributions from the Partnership and otherwise.
- (f) The General Partner may create and name (or rename) from time to time one or more classes of Units which may be subject to different management fees, administrative fees and other fees (if any) than those chargeable against Units of another class, and may have different redemption or other features than other classes of Units as the General Partner may determine, and may designate one or more series of Units within each such class. Set out in Schedule B hereto is a list of each class of Units designated by the General Partner from time to time together with a description of the unique features of each such class.

- (g) Upon the designation of a new series of Units by the General Partner, the Net Asset Value per Unit for such series shall initially be as designated by the General Partner pursuant to subsection 3.2(d) above and the Net Asset Value of such series shall initially be such Net Asset Value per Unit multiplied by the number of Units of such series issued and outstanding. After the initial issue of Units of a series, the Net Asset Value of such series on a Valuation Date shall be calculated by the General Partner having regard to the Net Asset Value of such series relative to the Net Asset Value of the Partnership on the previous Valuation Date (following payment of fees payable to the Manager and distributions payable to the General Partner on such previous Valuation Date, and adjusted for subscriptions, redemptions, conversions and redesignations), the increase or decrease in Net Asset Value of the Partnership from the previous Valuation Date to the current Valuation Date, and any fees payable to the Manager and distributions payable to the General Partner in respect of Units of such series. Net Asset Value per class and Net Asset Value per Unit for Units of a class shall be calculated in a similar manner, with necessary adjustments, if there is only one series (or no series designated) for such class. If there is more than one series in a class, then the Net Asset Value for such class shall be the aggregate of the Net Asset Values of all series in such class, and Net Asset Value per Unit shall be calculated in respect of each series only.
- (h) The General Partner may in its discretion from time to time convert or redesignate one or more Units of any one class or series as being Units of another class or series, or rename a series such that it has the same name as another series of the same class, provided that:
- a. in the case of a conversion or redesignation, the conversion or redesignation rate is based on the respective Net Asset Values of each such class or series such that the aggregate Net Asset Value on the date of conversion or redesignation of Units held after conversion or redesignation is equal to the aggregate Net Asset Value of the Units held immediately prior to such conversion or redesignation;
 - b. in the case of a conversion to another class of Units, the fees payable pursuant to Schedule A in respect of Units received on conversion are the same or lower than those payable on the Units held prior to such conversion unless such conversion is made with the consent of the Limited Partners affected or in accordance with policies outlined in writing to such Limited Partners at the time of acquisition of the affected Units;
 - c. in the case of a renaming of a series, the Net Asset Value per Unit of each series is identical (following, if necessary, the consolidation or conversion of Units of one or both such series);
 - d. any benchmark, high water mark, loss carry forward calculation or other criteria for determining fees payable are equivalent (relative to the respective Net Asset Values per Unit of each series) or more advantageous to the Limited Partners so affected;
 - e. all securities or tax regulatory filings necessary to be made in respect thereof are made in a timely fashion and within any statutory deadlines; and
 - f. no Limited Partner is otherwise adversely affected thereby.
- (i) The General Partner may consolidate or subdivide the Units from time to time in such manner as it considers appropriate. The General Partner may consolidate or subdivide Units of any class or series in a manner that is different to the treatment of Units of another class or series only if the Net Asset Value per Unit of such class or series is amended such that the aggregate Net Asset Value of all Units of such class or series prior to such consolidation or subdivision is equal to the aggregate Net Asset Value of all Units of such class or series following such consolidation or subdivision. Fractional Units may be issued, subject to section 3.24. None of the rights described in this Agreement as being available to a holder of a Unit, including, without limitation, those rights described in Section 3.2, are available to the purported holder of a fractional Unit other than a proportional right to allocations and distributions and the right to payment on redemption or return of capital.
- (j) The receipt of any money, securities or other property from the Partnership by a Person in whose name any Unit is recorded or by the duly authorized agent of such Person in that regard, or if such Unit is recorded in the names of more than one Person, the receipt thereof by any one of such Persons or by the duly authorized agent of any such Person in that regard, shall be a sufficient discharge (i) for the delivery of such money, securities or other property, and (ii) from all liability of the Partnership to see to the application thereof.

3.3 - Offering of Units.

The General Partner is entitled to raise capital for the Partnership from time to time in all of the provinces and territories of Canada by an offering or offerings of Units for sale by way of private placement pursuant to applicable exemptions from the registration and prospectus filing requirements of applicable securities legislation. The General Partner may also effect public offerings of Units in accordance with Section 7.2(s).

3.4 - Terms of Offering.

The General Partner may, in its discretion, determine the terms and conditions of the offering and sale of the Units from time to time and is authorized to do all things which it deems to be advisable in connection therewith.

3.5 - Subscription for Units.

No subscription may be made or shall be accepted for a fraction smaller than multiples of one tenth (1/10 or 0.1) of a Unit. Each subscribing Person other than the Initial Limited Partner shall agree to purchase a minimum of Units having an aggregate subscription price of Canadian \$150,000 (or such greater or lesser amount as may be acceptable to the General Partner in its sole discretion and in compliance with applicable securities legislation) and shall complete and execute a Subscription Agreement setting forth, among other things, the total subscription price agreed to be contributed

by him. The subscription price shall be equal to \$100 per Unit, in respect of the initial issuance of Units, and such amount per Unit as the General Partner may determine in its sole discretion in respect of future issuances of Units. For greater certainty, each class and/or series of Units may have a different Net Asset Value per Unit from that of the other classes and series from time to time.

3.6 - Subscription Price.

The subscription price in Canadian Dollars or U.S. Dollars will be payable by delivery to the General Partner of a certified cheque or bank draft payable to the Partnership. Cheques shall be held in trust by the General Partner pending acceptance of the Subscription Agreement by the General Partner, in its sole discretion, and upon such acceptance shall be delivered by the General Partner to the Partnership.

3.7 - Acceptance of Subscription Agreement by General Partner.

The General Partner shall have the right, in its sole discretion, to refuse to accept a Subscription Agreement. The General Partner shall also have the right to reject Subscription Agreements submitted by a "non-resident" within the meaning of the *Income Tax Act* (Canada) and to require Subscribers to provide evidence reasonably satisfactory to it that such Subscribers are not within such category. If, for any reason, a Subscription Agreement is not accepted, the General Partner shall forthwith redeliver to the Subscriber the Subscription Agreement and the cheque representing subscription funds for such Units without interest or deduction.

3.8 - Maximum Number of Units.

The General Partner is entitled to accept Subscription Agreements for Units up to the maximum aggregate subscription price of \$250,000,000. Units may also be issued from time to time pursuant to section 5.4.

3.9 - Admittance as Limited Partner.

Upon acceptance by the General Partner of any Subscription Agreement and upon payment by the Subscriber of the subscription price in respect thereof, all Partners will be deemed to consent to the admission of the Subscriber as a Limited Partner, the General Partner will execute this Agreement on behalf of the Subscriber, will cause the Record, and such other documents as may be required to be filed or amended under the Act or legislation similar to the Act in other provinces, including as required to afford, to the extent possible, limited liability, to be amended specifying the prescribed information and will cause the foregoing information in respect of the new Limited Partner to be included in the Register and other partnership books and records. As provided in Section 3.12, upon the entering of the Subscriber's name in the Record, the Subscriber will be admitted to the Partnership as a Limited Partner and will be entitled to all of the rights accruing to a Limited Partner under this Agreement and the Units in respect of which the Subscription Agreement has been submitted will thereupon be deemed to be issued.

3.10 - Payment on Closing.

The subscription cheques received together with interest earned thereon, if any, shall be delivered and paid by the General Partner to the Partnership on Closing.

3.11 - Payment of Expenses.

In addition to the costs and expenses contemplated by Section 5.1, the Partnership will pay all costs, disbursements and other expenses and fees incurred in connection with the offering of Units from time to time and the arranging of financing for the Partnership, the organization and operation of the Partnership and the registration of the Partnership under the Act and under similar legislation of other provinces, including, without limitation, legal and audit fees and expenses, brokerage commissions, and costs and expenses relating to the redemption of Units, financial and other reporting and regulatory compliance. Expenses other than the fees contemplated in Schedule A (plus applicable taxes) shall be deducted from the Net Asset Value of the Partnership and not from the Net Asset Value of any particular class(es) or series unless the General Partner determines that such expenses are properly attributable only to certain classes or series of Units.

3.12 - Effective Date.

The rights and obligations of a Subscriber as a Limited Partner under this Agreement commence and are enforceable by and upon the Limited Partner as between the Limited Partner and the other Partners from the date on which the Record

is amended as required under the Act, adding such Limited Partner as a Limited Partner of the Partnership and Units in

respect of which a Subscription Agreement has been accepted by the General Partner will thereupon be deemed to be issued.

3.13 - Register of Limited Partners.

The General Partner shall at all times maintain, or cause to be maintained by a registrar and transfer agent which may be appointed by the General Partner, a Register of Limited Partners in the City of Toronto which shall contain the name and address of each Limited Partner and the number of Units held by each Limited Partner.

3.14 - Changes in Membership of Partnership or Information Concerning Limited Partners.

No change of name or address of a Limited Partner, no transfer of a Unit of a Limited Partner in the Partnership and no admission of a substituted Limited Partner in the Partnership shall be effective for the purposes of this Agreement until all reasonable requirements as determined by the General Partner with respect thereto have been met and until such change, transfer, substitution or addition is duly reflected in an amendment to the Record prepared and recorded as may be required by the Act. The names and addresses of the Limited Partners as reflected from time to time in the Record, as from time to time amended, shall be conclusive as to such facts for all purposes of the Partnership.

3.15 - Notice of Change to General Partner.

No name or address of a Limited Partner shall be changed and no transfer, substitution or addition of a Unit of a Limited Partner in the Partnership shall be recorded on the Record except pursuant to a notice in writing received by the General Partner.

3.16 - Amendment of Record of Partnership Upon Notice.

Subject to Section 3.14, the General Partner shall, on or before the last business day of each calendar quarter, prepare and file or record an amendment to the Record or to any similar document required to be filed or maintained under the Act or under similar legislation in other provinces to reflect as required the receipt of any notice from any Limited Partner requiring the filing or recording of an amendment to such Record or other documents.

3.17 - Inspection of Register.

A Limited Partner, or an agent of a Limited Partner duly authorized in writing, has the right to inspect and make extracts from the Register of Limited Partners or Record during normal business hours, and upon payment of a reasonable fee to the General Partner or Registrar and Transfer Agent, to obtain a copy of the Register of Limited Partners or the Record within a period of 10 days from the date of the filing of his written request therefor with the General Partner at its principal office in Toronto, Ontario or with the Registrar and Transfer Agent at its principal office, together with a statutory declaration stating the name and address of the applicant, that the applicant is a Limited Partner and that the list will not be used by any Person except in connection with an effort to influence the voting of the Limited Partners, or any other matter relating to the affairs of the Partnership.

3.18 - Transfer of Units.

Subject to the provisions of this Agreement, and subject to compliance with all applicable securities legislation (evidence of which may be required by the General Partner in its sole discretion) Units may be transferred by a Limited Partner or his agent duly authorized in writing to any Person but such Person shall not be recorded on the Register as the holder of the Units so transferred nor, if such Person is not a Limited Partner, be entitled to become a Limited Partner unless such Person has delivered to the General Partner a Transfer Form (or any similar form from time to time prescribed by the General Partner) completed and executed in a manner acceptable to the General Partner. No such Person will become a Limited Partner until all filings and recordings required by the Act and this Agreement have been duly made. The General Partner will, on or before the last business day of each Fiscal Quarter, prepare and record the amendment to the Record necessary to give effect to transfers pursuant to completed Transfer Forms received more than 15 days prior to the end of such Fiscal Quarter. The General Partner will register any transfer of Units received within 15 days of the end of such Fiscal Quarter on or before the last business day of the next Fiscal Quarter. Any transfer of a Unit shall be at the expense of the transferee (provided however that the Partnership shall be responsible for all costs in relation to the preparation of any amendment to the Record and similar documents in other jurisdictions). No transfer of a Unit shall

relieve the transferor from any obligations to the Partnership incurred prior to the transfer becoming effective. Where the transferee complies with the provisions aforesaid and is entitled to become a Limited Partner pursuant to the provisions hereof, subject to Section 3.15 the General Partner shall be authorized to admit the transferee to the Partnership as a Limited Partner and the Limited Partners hereby consent to the admission of, and will admit, the transferee to the Partnership as a Limited Partner, without further act of the Limited Partners (other than as may be required by law).

3.19 - Form of Transfer.

The Transfer Form shall be signed by the transferor (whose endorsement thereon shall be guaranteed by a Canadian chartered bank, a trust company qualified to carry on business in the Province of Ontario, a member of The Investment Industry Regulatory Organization of Canada (IIROC), formerly The Investment Dealers Association of Canada, or a Toronto Stock Exchange Participating Organization or a TSX Venture Exchange Member) and by the transferee and shall be accompanied by the certificates, if any, issued by the Partnership representing the Units to be transferred.

3.20 - Additional Documentation on Transfer.

If a transferor of Units is a firm or a corporation, or purports to assign such Units in any representative capacity, or if an assignment results from the death, mental incapacity or bankruptcy of a Limited Partner or is otherwise involuntary, the transferor or his legal representative shall furnish to the General Partner such documents, certificates, assurances, court orders and other instruments as the General Partner may reasonably require to effect the said transfer and assignment.

3.21 - Amendment of Record and Declaration of Partnership.

The General Partner shall in accordance with this Agreement, effect such filings, recordings, registrations and amendments to the Record, the Declaration and such other documents as in the opinion of counsel to the Partnership are necessary or advisable to reflect changes in the membership of the Partnership, transfers of Units and dissolution of the Partnership as herein provided by the Partnership and to constitute a transferee as a Limited Partner.

3.22 - Non-Recognition of Trusts or Beneficial Interests.

Except as required by law, no Person will be recognized by the Partnership or any Limited Partner as holding any Unit in trust, and the Partnership and Limited Partners will not be bound or compelled in any way to recognize (even when having actual notice) any legal, equitable, contingent, future or partial interest in any Unit or in any fractional part of a Unit or any other rights in respect of any Unit except an absolute right to the entirety of the Unit in the Limited Partner registered as holder of such Unit.

3.23 - Incapacity, Death, Insolvency or Bankruptcy.

Where a Person becomes entitled to Units on the incapacity, death, insolvency, or bankruptcy of a Limited Partner, or otherwise by operation of law, in addition to the other requirements of this Agreement, such entitlement will not be recognized or entered into the Register until such Person:

- (a) has produced evidence satisfactory to the General Partner of such entitlement:
- (b) has agreed in writing to be bound by the terms of this Agreement and to assume the obligations of a Limited Partner under this Agreement; and
- (c) has delivered such other evidence, approvals and consents in respect to such entitlement as the General Partner may require and as may be required by law or by this Agreement.

3.24 - Transfer of Fractions.

No transfer of a fraction smaller than multiples of one tenth (1/10 or 0.1) of a Unit may be made or will be recognized or entered into the Register.

3.25 - No Transfer upon Dissolution.

No transfer of Units may be made or will be recognized or entered into the Register after the occurrence of any of the events set forth in Section 11.1.

3.26 - Pledge of a Unit.

Notwithstanding section 3.22, but subject to Section 2.9(b)(iii) and compliance with applicable securities legislation, a Limited Partner may pledge or hypothecate Units held by him as security for a loan to, or an obligation of, him and, if the Units are so pledged or hypothecated, the General Partner will, upon receipt of a written request from the Limited Partner, deliver a written acknowledgment to the Person specified by the Limited Partner in the written request acknowledging the pledge or hypothecation and confirming that, upon receipt by the General Partner of a written order from such Person setting forth an address for service, all distributions by the Partnership in respect of the Units following the receipt by the General Partner of the written order will be made to such Person at the address set forth therein until such Person delivers a release of the acknowledgment to the General Partner; and the Limited Partner, by delivering the written request to the General Partner, hereby authorizes the General Partner to make, and consents to the making of, all such distributions pursuant to the written order.

3.27 - Unit Certificates.

The Partnership will not issue Unit certificates. However, on any purchase or redemption of Units, the General Partner shall issue confirmation slips indicating the nature of the transaction effected by the Limited Partner and the number, class and series (as applicable) of Units held by such Limited Partner after such transaction.

3.28 - Valuation of Units.

The General Partner shall determine the Net Asset Value and the Net Asset Value Per Unit as of 5:00 p.m. (Toronto time) on each Fiscal Quarter Date within ten business days of the Fiscal Quarter Date. In the event that there are more than one class and/or series of Units outstanding, the Net Asset Value per Unit will be calculated separately for each class and/or series, as the case may be, of Units issued.

3.29 - Valuation Rules.

Subject to generally accepted accounting principles in Canada (or applicable international financial reporting standards), (standards) as applicable to public enterprises:

- (a) The value of any cash on hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, cash received (or declared to holders of record on a date before the date as of which the Net Asset Value is being determined) and interest accrued and not yet received, shall be deemed to be the full amount thereof, provided that:
 - (i) the value of any security which is a debt obligation which, at the time of acquisition, had a remaining term to maturity of one year or less shall be the amount paid to acquire the obligation plus the amount of any interest accrued on such obligation since the time of acquisition (for this purpose, interest accrued will include amortization over the remaining term to maturity of any discount or premium from the face value of an obligation at the time of its acquisition), or the value shall be calculated in accordance with Section 3.29(a)(ii);

- (ii) any interest or other amount due in respect of an obligation in respect of which the issuer has ceased paying interest or has otherwise defaulted shall be excluded from such calculation; and
 - (iii) if the General Partner or any Person retained by the General Partner to calculate Net Asset Value (the "Valuator") has determined that any such deposit, bill, demand note or account receivable is not otherwise worth the full amount thereof, the value thereof shall be deemed to be such value as the Valuator determines to be the fair value thereof.
- (b) The value of any security, option or futures contract which is listed or traded upon a stock exchange shall be determined by taking the last sale price on the Fiscal Quarter Date, or lacking any such sales, shall be determined by the Valuator but shall not be greater than the closing ask price nor less than the closing bid price, as at the date as of which the Net Asset Value is being determined, all as reported by any means in common use.
 - (c) The value of any security or financial instrument which is traded over-the-counter will be priced at the average of the last bid and asked prices for the immediately preceding 20 trading days quoted by a major dealer in such securities or financial instruments, unless the Valuator determines that the bid or offer price more accurately reflects the value of the security or financial instrument.
 - (d) The value of any security, option or futures contract which is not listed or traded on a recognized exchange or the resale of which is restricted by reason of a representation, undertaking or agreement by the Partnership or by the Partnership's predecessor in title shall be determined on the basis of such price or yield equivalent quotations (which may be public quotations or may be obtained from major market makers) as the Valuator determines best reflects its fair value.
 - (e) Any market price or asset value reported in a currency other than Canadian dollars shall be translated into Canadian currency at the prevailing rate of exchange at the time of valuation.
 - (f) The value of securities subject to a hold period will be valued as described above with an appropriate discount as determined by the Valuator and investments in private companies and other assets for which no published market exists will be valued at the lesser of cost and the most recent value at which such securities have been exchanged in an arm's length transaction which approximates a trade effected in a published market, unless a different fair market value is otherwise determined to be appropriate by the Valuator.
 - (g) Any security purchased, the purchase price of which has not been paid, shall be included for valuation purposes as a security held, and the purchase price, including brokers' commissions and other expenses, shall be treated as a liability of the Partnership.
 - (h) The value of any security or property to which in the opinion of the Valuator the principles of this Section cannot be applied (whether because no price or yield equivalent quotations are available as above provided, or for any other reason) shall be the fair value thereof determined in good faith in such manner as the Valuator from time to time adapts.

ARTICLE 4. - CAPITAL CONTRIBUTIONS AND ACCOUNTS

4.1 - Capital.

The capital of the Partnership consists of the aggregate of all sums of money or other property contributed or agreed to be contributed by the Partners and not returned to them.

4.2 - General Partner Contribution.

The General Partner has contributed the sum of \$100 to the capital of the Partnership.

4.3 - Initial Limited Partner Contribution.

The Initial Limited Partner has contributed the sum of \$100 to the capital of the Partnership in full satisfaction of its Capital Contribution and has received one (1) Unit. (Upon acceptance by the General Partner of a subscription for an additional Unit, the Unit issued to the Initial Limited Partner was redeemed and the Capital Contribution of the Initial Limited Partner was returned to it.)

4.4 - Limited Partner Contributions.

The Capital Contribution of each Limited Partner is the aggregate of the subscription prices for the Units purchased by such Limited Partner.

4.5 - Separate Capital Accounts.

The General Partner will maintain a separate capital account for each Partner and will credit the account of a Partner with such Capital Contribution and debit the account with the amount of Capital Contribution actually returned from time to time by the Partnership to the Partner. The interest of a Limited Partner will not terminate by reason of there being a negative or nil balance in the Limited Partner's account.

4.6 - No Interest on Capital Account.

The Partnership will not pay interest on any credit balance of a capital account. Except as provided in this Agreement or the Act or similar applicable legislation in Canada, no Limited Partner is required to pay interest to the Partnership on any Capital Contribution returned to the Limited Partner.

ARTICLE 5. - PARTICIPATION IN PROFITS AND LOSSES

5.1 - Expenses of the Partnership.

The Partnership will pay the General Partner for all expenses incurred on the Partnership's behalf by the General Partner in the performance of its duties hereunder, and by the Manager pursuant to the authority of the General Partner, in accordance with the provisions of Section 3.11. All services provided by the General Partner and its Associates and Affiliates, including by the Manager, will be charged for at rates not exceeding those at which such services are available from independent parties dealing at arm's length. All such direct and allocated expenses will be subject to an independent audit and report thereon to the Limited Partners at the request of the Limited Partners expressed by Ordinary Resolution and the General Partner covenants to provide reasonable access to its books and records for such purpose. Expenses borne by the Partnership include:

- (i) the costs of legal, audit, custodial and banking fees and expenses, cost of portfolio valuation, Limited Partner registration and accounting services, reporting and making distributions to Limited Partners and communications with Limited Partners, fees and expenses related to this Agreement and Subscription Agreements and Transfer Forms;
- (ii) brokerage fees and commissions and other expenses of portfolio transactions;
- (iii) the management fees and performance fees in accordance with Schedule A;
- (iv) interest charges should the Partnership be required to borrow;
- (v) the costs of travel, accommodation, and other expenses associated with due diligence on invested companies and investment opportunities for the Partnership; and

- (vi) any provincial and federal taxes levied on any such costs and expenses and any other taxes directly attributable to the Partnership.

5.2 - General Partner's Entitlement.

In addition to the amounts to which it is entitled pursuant to Sections 5.1 and 5.3, the General Partner (and the Manager pursuant to the authority of the General Partner) will be entitled to receive as consideration for management of the business and affairs of the Partnership such fees as are provided for in Schedule A hereto.

5.3 - Allocation of Net Income.

The net income of the Partnership for each Fiscal Year as reported on by the Auditors, after deducting the amounts referred to in Sections 5.1 and 5.2, shall be allocated among the Partners within ninety days of the Fiscal Year end of the Partnership as follows:

- (a) the General Partner shall be allocated 0.01 % of the net income of the Partnership; and
- (b) the balance of the net income shall be allocated among the Persons who are Limited Partners and whose names appear in the Record at the end of the Fiscal Year in proportion to the number of Units held by each of them.

5.4 - Distributions and Reinvestment of Distributions.

The General Partner may, in its sole discretion, distribute on an annual basis, within sixty days after the end of each Fiscal Year, to the General Partner and, subject to Section 3.26, to Persons who are Limited Partners and whose names appear in the Record as then amended and supplemented on the last day of such Fiscal Year an amount (in cash or in kind in the form of securities held by the Partnership) up to but not exceeding the amount by which the aggregate of the investment income and realized gains of the Partnership during such Fiscal Year and the amount of any reserve retained at the end of the prior Fiscal Year exceeds the aggregate of the expenses of the Partnership for such Fiscal Year including the amounts referred to in Sections 5.1 and 5.2 and any reserves established for the current Fiscal Year, in the same proportions as the allocations required by Section 5.3. Such amounts may be reinvested by the Limited Partner in additional Units of the Partnership by notice to that effect given to the Partnership at least 10 business days prior to the date of distribution, and each such Unit shall be issued at a subscription price equal to the Net Asset Value Per Unit determined as at the end of the preceding Fiscal Year by the General Partner and certified by the Auditor.

5.5 - Allocation of Losses.

The losses of the Partnership for each Fiscal Year as reported on by the Auditors shall be allocated among the Partners within sixty days of the Fiscal Year end of the Partnership in the same proportions as the allocation of net income required by Section 5.3.

5.6 - Allocation of Net Income and Losses for Tax Purposes.

The net income or losses for tax purposes of the Partnership for each Fiscal Year, the amounts of which may vary in any Fiscal Year from the net income or losses of the Partnership as reported on by the Auditors for that Fiscal Year, shall be allocated among the Partners in the same proportions as the allocations required by Sections 5.3 and 5.5, respectively.

5.7 - Repayments.

If, as determined by the General Partner, it appears that any Partner has received an amount which is in excess of that Partner's entitlement, the Partner will, forthwith upon notice from the General Partner, reimburse the Partnership to the extent of the excess, and failing immediate reimbursement, the General Partner may withhold the amount of the excess (with interest at 10% per annum calculated and compounded monthly) from further distributions otherwise due the Partner.

ARTICLE 6. - WITHDRAWAL AND REDEMPTION

6.1 - Withdrawal.

Subject to Section 4.3, no Limited Partner has the right to withdraw any of his Capital Contribution or other amount or to receive any cash or other distribution from the Partnership except as provided for in this Agreement and except as permitted by law.

6.2 - Right to Redeem.

Units (other than Side Pocket Units) may be surrendered at any time to the General Partner for redemption. Subject to the conditions and limitations hereof, Units surrendered for redemption by a Unitholder prior to 5:00 p.m. (Toronto time) on the thirtieth day immediately preceding the Month End Date will be redeemed on such Month End Date, and Units surrendered for redemption after 5:00 p.m. (Toronto time) on the thirtieth day immediately preceding a Month End Date will be redeemed on the next following Month End Date (such date of redemption referred to as the "Redemption Date"). The redemption right must be exercised by causing written notice to be given to the General Partner in the form from time to time prescribed by the General Partner. Such surrender will be irrevocable except with respect to any Units surrendered for redemption in respect of which the redemption price specified in Section 6.3 are not paid by the Partnership on or before the date on which such payment is due and except as otherwise provided herein.

For Limited Partners holding more than one class or series of Units, the General Partner may adopt and amend a policy from time to time, on a basis which it determines to be fair and reasonable under the circumstances, to determine the order in which such Limited Partner's outstanding Units are redeemed, which policy shall be binding on the redeeming Limited Partner.

Side Pocket Units are not redeemable at the option of Limited Partners, and may only be redeemed at the discretion of the General Partner following a Realization Event as described in Schedule B hereto.

6.3 - Redemption Price and Payment.

Upon redemption of Units, a Limited Partner will be entitled to receive a redemption price per Unit equal to the Net Asset Value Per Unit determined as of 5:00 p.m. (Toronto time) on the Redemption Date, less an amount equal to (i) 20% of any increase in Net Asset Value per Unit above the high water mark as of 5:00 p.m. on the Redemption Date in excess of Net Asset Value per Unit as of 5:00 p.m. on the immediately preceding Quarter end multiplied by (ii) the number of Units redeemed by the Limited Partner.

If a redemption of Units occurs any time prior or up to 12 months from the initial subscription, a 7% value of the total redemption amount will be withheld. The total redemption amount is determined by multiplying the Net Asset Value on the Redemption Date by the number of Units being redeemed. If a redemption of Units occurs any time after 12 months and prior to the 24 month date from the initial subscription, a 5% value of the total redemption amount will be withheld. The total redemption amount is determined by multiplying the Net Asset Value on the Redemption Date by the number of Units being redeemed.

The General Partner shall, within 20 business days after the Redemption Date on which a Limited Partner's Units are redeemed, make payment of the redemption price per Unit in respect of the Units redeemed together with any unpaid distribution in respect of such Units which became payable on or before such Redemption Date less any amount required to be withheld therefrom under applicable law. Payment shall be made in Canadian funds and may be made by wire transfer to the bank account of the Limited Partner, by the mailing or delivery of a cheque to the Limited Partner at his last address as shown on the Record of Limited Partners or by some other method as the General Partner deems appropriate. Any payment so made shall, unless a cheque is not honoured on presentation, discharge the Partnership and the General Partner from all liability to the Limited Partner in respect of the amount thereof plus any amount required by law to be withheld and the Units so redeemed shall be cancelled and not reissued.

6.4 - Suspension of Redemption Right.

Notwithstanding the provisions of Sections 6.2 and 6.3, the General Partner may suspend the redemption of Units or payment of redemption proceeds (i) during any period when normal trading is suspended on The Toronto Stock Exchange (TSX), the TSX Venture Exchange, NASDAQ, the New York Stock Exchange (NYSE) or the Chicago Board of Trade (CBOT); or (ii) for any period during which the General Partner determines that conditions exist which

render impractical the sale of assets of the Partnership or which impair the ability of the General Partner to determine the value of the assets of the Partnership. The suspension may, at the sole discretion of the General Partner, apply to all requests for redemptions received prior to the suspension but as to which payment has not been made, as well as to all requests received while the suspension is in effect. All Limited Partners making such requests shall be advised by the General Partner of the suspension and that the redemption will be effected on the basis of the Net Asset Value per Unit determined on the first Fiscal Quarter Date following the termination of the suspension. All such Limited Partners shall have and shall be advised that they have the right to withdraw their requests for redemption.

The suspension shall terminate in any event on the first day on which the condition giving rise to the suspension has ceased to exist provided that no other condition under which a suspension is authorized then exists. To the extent not inconsistent with Applicable Securities Law, any declaration of suspension made by the General Partner shall be conclusive.

6.5 - Purchase for Cancellation.

Subject to applicable law, the Partnership may at any time or times purchase outstanding Units from one or more holders thereof at such prices not exceeding the Net Asset Value per Unit on the last Fiscal Quarter Date prior to purchase, and on such other terms and conditions as the General Partner may determine.

ARTICLE 7. - POWERS, DUTIES AND OBLIGATIONS OF GENERAL PARTNER

7.1 - Powers, Duties and Obligations.

The General Partner has:

- (a) unlimited liability for the debts, liabilities and obligations of the Partnership;

An action taken by the General Partner on behalf of the Partnership in accordance with the terms hereof is deemed to be the act of the Partnership and binds the Partnership.

7.2 - Specific Powers and Duties.

Subject to the terms of this Agreement and to any applicable limitation set forth in the Act and similar legislation in Canada, the General Partner is authorized and required to manage, control, administer and operate the business and affairs of the Partnership and to represent the Partnership, and without limiting the generality of the foregoing, the General Partner will have full power and authority for and on behalf of and in the name of the Partnership to:

- (h) commence or defend any action or proceeding in connection with the Partnership or submit the Partnership to binding arbitration;
- (i) file returns or other documents required by any governmental or like authority and if in its reasonable judgment, the General Partner deems it advisable to do so, register the Partnership as a tax shelter under the *Income Tax Act* (Canada) (and effect such amendments hereto as may be required in connection with such registration and which do not adversely affect the interest of any Limited Partner) and maintain such registration;
- (j) retain legal counsel, experts, advisors or consultants as the General Partner considers appropriate and rely upon the advice of such Persons;
- (k) do anything that is in furtherance of or incidental to the business of the Partnership or that is provided for in this Agreement;
- (l) execute, acknowledge and deliver the documents necessary to effectuate any or all of the foregoing or otherwise in connection with the business of the Partnership;
- (m) obtain any insurance coverage;
- (n) decide in its sole and entire discretion any additional time at which distributions shall be made to the Partners and the amount of any such distribution;
- (o) decide in its sole and entire discretion any additional time at which the capital or other assets of the Partnership shall be distributed to the Partners and the amount of any such distribution;

- (r) carry out the objects, purposes and business of the Partnership; and
- (s) if in its sole discretion the General Partner deems it advisable to do so, offer such Units of the Partnership by way of prospectus or other public offering and/or qualify previously issued Units by way of prospectus or other means (and effect such amendments hereto as may be required in the circumstances and which do not adversely affect the interest of any Limited Partner).

No Persons dealing with the Partnership will be required to enquire into the authority of the General Partner to do any act, take any proceeding, make any decision or execute and deliver any instrument, deed, agreement or document for or on behalf of or in the name of the Partnership. The General Partner shall insert, and cause agents of the Partnership to insert, the following clause in any contracts or agreements to which the Partnership is a party or by which it is bound:

"Tera Capital Global Innovation LP is a limited partnership formed under the *Limited Partnerships Act* (Ontario) and a limited partner of which is only liable for any of its liabilities or any of its losses to the extent of the amount that he has contributed or agreed to contribute to its capital and his pro rata share of any undistributed income."

7.3 - Loan From General Partner and Others.

Subject to the limitations contained in Section 7.2(b), the General Partner and its Affiliates or Associates may advance or loan to the Partnership funds which may be necessary for the operating expenses of the Partnership. The rate of interest and any other expenses relative to such advances or borrowings shall not exceed the prime rate of interest charged by Canadian Imperial Bank of Commerce as announced and in effect from time to time, plus 1% per annum.

7.4 - Title to Property.

The General Partner may hold legal title to any of the assets or property of the Partnership in its name for the benefit of the Partnership.

7.5 - Exercise of Duties.

Except as provided herein, the General Partner covenants that it will exercise the powers and discharge its duties under this Agreement honestly, in good faith, and in the best interests of the Partnership, and that it will exercise the degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances. Furthermore, the General Partner covenants that it will maintain the confidentiality of financial and other information and data which it may obtain through or on behalf of the Partnership the disclosure of which may adversely affect the interests of the Partnership or a Limited Partner, except to the extent that disclosure is permitted as provided herein, is required by law or is in the best interests of the Partnership.

7.6 - Limitation of Liability.

The General Partner is not personally liable for the return of any Capital Contribution made by a Limited Partner to the Partnership. Moreover, subject to section 7.5 but notwithstanding anything else contained in this Agreement, neither the General Partner nor any Affiliates thereof nor their respective officers, directors, shareholders, employees or agents are liable, responsible for or accountable in damages or otherwise to the Partnership or a Limited Partner for an action taken or failure to act on behalf of the Partnership within the scope of the authority conferred on the General Partner by this Agreement or by law unless the act or omission was performed or omitted fraudulently or in bad faith or constituted wilful misfeasance or gross negligence in the performance of their obligations.

7.7 - Indemnity of General Partner.

- (1) The General Partner and each of its directors, officers, employees and agents (each an "Indemnitee") will be indemnified by the Partnership for all liabilities, costs and expenses incurred by them in connection with any action, suit or proceeding that is proposed or commenced or any other claim that is made against the General Partner or any of its directors, officers, employees and agents in the exercise of the performance by the General Partner of its duties as the general partner of the Partnership, except those liabilities, costs and expenses resulting from wilful misconduct, bad faith, negligence or breach of its obligations under the Partnership Agreement on the part of the General Partner.
- (2) To the fullest extent permitted by law, expenses (including, without limitation, legal fees and expenses) incurred by an Indemnitee in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Partnership prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Partnership of an undertaking by or on behalf of the Indemnitee to repay such amount if it shall be determined that the Indemnitee is not entitled to be indemnified as authorized in this Section 7.7.
- (3) The Partnership may purchase and maintain (or reimburse the General Partner or its Affiliates for the cost of) insurance, on behalf of the General Partner and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expense that may be incurred by such Person in connection with the Partnership's activities, whether or not the Partnership would have the power to indemnify such Person against such liabilities under the provisions of this Agreement.

7.8 - Indemnity of Partnership.

The General Partner will indemnify and hold harmless the Partnership for any costs or damages suffered or incurred by the Partnership as a result of an act of gross negligence or wilful misconduct by the General Partner or of any act or omission not believed in good faith to be within the scope of authority conferred by this Agreement.

7.9 - Restrictions upon the General Partner.

The General Partner's power and authority does not extend to any powers, actions or authority enumerated in Section 9.17 unless and until the requisite Extraordinary Resolution is passed by the Partners. In addition, the General Partner will not:

- (a) cause the Partnership to guarantee the obligations or liabilities of or make loans, to any Person, provided that the General Partner may cause the Partnership to invest in debt obligations that are consistent with Sections 2.2 to 2.5;
- (b) co-mingle the funds of the Partnership with the funds of the General Partner or any of its Affiliates or Associates or with the funds of any other Person;

7.10 - Employment of an Affiliate or Associate.

The General Partner may employ or retain Affiliates or Associates of the General Partner on behalf of the Partnership to provide goods or services to the Partnership provided that if the Partnership is to reimburse the General Partner for the costs and expenses of such goods or services, the costs of such goods or services must be reasonable and competitive with the costs of similar goods and services provided by independent third parties and provided that no reimbursement shall be made for any costs or expenses for which the General Partner would not, if it provided such goods and services directly, be entitled to payment or reimbursement under this Agreement.

7.11 - Removal of General Partner.

- (a) Upon the passing of any resolution of the directors or shareholders of the General Partner or its Holding Body Corporate requiring or relating to the bankruptcy, dissolution, liquidation or winding-up or the making of any assignment for the benefit of creditors of the General Partner or its Holding Body Corporate, or upon the appointment of a receiver of the assets and undertaking of the General Partner or its Holding Body Corporate, or upon the General Partner failing to maintain its status under Section 2.9(a), a new general partner shall be appointed by the Limited Partners by an Ordinary Resolution within 180 days of notice of such event being given to the Limited Partners; provided that the General Partner shall not cease to be the General Partner until the earlier of: (i) the appointment of a new General Partner and (ii) the expiry of the 180 day period.
- (b) The Limited Partners also may remove for cause the General Partner and substitute another as the general partner in its stead by an Extraordinary Resolution, but only if the General Partner has materially breached its obligations under this Agreement and such breach continues unremedied for a period of 30 days after the General Partner has received written notice of such breach from any Limited Partner. The Limited Partners shall appoint, concurrently with the removal of the General Partner, a replacement general partner which assumes all the responsibilities and obligations of the removed General Partner under this Agreement.

7.12 - Voluntary Change of a General Partner.

The General Partner may resign as such on written notice to all Limited Partners, such resignation to become effective (i) 180 days after notice is so given or on an earlier date if a new general partner is admitted by an Ordinary Resolution, provided that the General Partner will not resign if the effect would be to dissolve the Partnership, or (ii) where the General Partner has concluded that the continuing profitability of the Partnership is in doubt and has called a meeting of Limited Partners to seek approval for the dissolution of the Partnership and such dissolution has not been approved, 120 days after such meeting or earlier if a new general partner is admitted by Ordinary Resolution. The General Partner shall not be permitted to withdraw its resignation (except as required in (i) above) or assign, transfer or otherwise dispose of its interest in the Partnership as General Partner once the written notice has been communicated to the Limited Partners.

7.13 - Condition Precedent.

As a condition precedent to the resignation or removal of the General Partner, the Partnership shall pay all amounts payable by the Partnership to the General Partner pursuant to this Agreement accrued to the date of resignation or removal.

7.14 - Transfer to New General Partner.

On the admission of a new general partner to the Partnership on the resignation or removal of the General Partner, the resigning or retiring General Partner will do all things and take all steps to transfer the administration, management, control and operation of the business of the Partnership and the books, records and accounts of the Partnership to the new general partner and will execute and deliver all deeds, certificates, declarations and other documents necessary or desirable to effect such transfer in a timely fashion.

7.15 - Transfer of Title to New General Partner.

On the resignation or removal of the General Partner and the admission of a new general partner, the resigning or retiring General Partner will, at the cost of the Partnership, transfer title to the Partnership's property to such new general partner and will execute and deliver all deeds, certificates, declarations and other documents necessary or desirable to effect such transfer in a timely fashion.

7.16 - Release by Partnership.

On the resignation or removal of the General Partner, the Partnership will release and hold harmless the General Partner resigning or being removed, from any costs, damages, liabilities or expenses suffered or incurred by the General Partner as a result of or arising out of events, other than any wilful act or omission by the General Partner, which occur in relation to the Partnership after such resignation or removal.

7.17 - New General Partner.

A new general partner shall not be a "non-Canadian" within the meaning of the *Investment Canada Act* (Canada) or a "non-resident" or a partnership that is not a "Canadian partnership", in each case, within the meaning of the *Income Tax Act* (Canada) and will become a party to this Agreement by signing a counterpart hereto and will agree to be bound by all of the provisions hereof and to assume the obligations, duties and liabilities of the General Partner hereunder as from the date the new general partner becomes a party to this Agreement.

7.18 - Transfer of General Partner Interest.

The General Partner may transfer all, but not less than all, of its general partner interest in the Partnership without the approval of the Limited Partners to an Affiliate provided that such transferee satisfies the requirements set forth in Section 7.17 and assumes the rights and duties of the General Partner and agrees to be bound by the provisions of this Agreement.

ARTICLE 8. - FINANCIAL INFORMATION

8.1 - Books and Records.

The General Partner will keep or cause to be kept on behalf of the Partnership during the duration of the Partnership and for a period of six years thereafter, at its principal place of business books of proper and complete account and records of the business and affairs of the Partnership. Such books, records and registers will be kept available for inspection and audit by any Limited Partner or his authorized representative at the Limited Partner's expense, during business hours at the office of the General Partner, but a Limited Partner may not have access to any information of the Partnership which, in the reasonable opinion of the General Partner, should be kept confidential in the interests of the Partnership.

8.2 - Income Tax Information.

The General Partner will send or cause to be sent to each Person who is a Limited Partner at the end of a Fiscal Year within ninety days of such Fiscal Year end, all information relating to the Partnership necessary for such Person to prepare his Canadian federal and provincial income tax returns. 8.3 - Accounting Policies.

The General Partner is authorized to establish from time to time accounting policies with respect to the financial statements of the Partnership and to change from time to time any policy that has been so established so long as such policies are consistent with the provisions of this Agreement and with generally accepted accounting principles in Canada (or applicable international financial reporting standards) as approved by the Auditor.

8.4 - Appointment of Auditor.

The General Partner will, on behalf of the Partnership, select the Auditor on behalf of the Partnership to audit and report to the Partners upon the financial statements of the Partnership for, and as at the end of each Fiscal Year, and to advise upon and make determinations with regard to financial questions relating to the Partnership or required by this Agreement to be determined by the Auditor.

8.5 - Financial Statements and Information.

The General Partner shall, at the expense of the Partnership:

In addition, the General Partner will convene an informational meeting of Limited Partners annually for the purpose of reviewing the Partnership's investment portfolio.

ARTICLE 9. - MEETINGS OF THE LIMITED PARTNERS

9.1 - Requisitions of Meetings.

The General Partner may call a general meeting of Partners at such time and place as it deems appropriate in its absolute discretion for the purpose of considering any matter set forth in the notice of meeting. In addition, where two or more Limited Partners holding not less than 25% of the outstanding Units in number (the "Requisitioning Partners") give notice requesting a meeting of the Partnership signed by each of them to the General Partner, the General Partner will forthwith give 21 days notice of a meeting in accordance with this Agreement, and if it fails to do so, any Requisitioning Partner may convene such meeting by giving notice in accordance with this Agreement. Every meeting, however convened, will be conducted in accordance with this Agreement.

9.2 - Place of Meeting.

Every meeting shall be held in the Municipality of Metropolitan Toronto, Ontario or at such other place in Canada as the General Partner may designate.

9.3 - Notice of Meeting.

Notice of any meeting will be given to each Limited Partner and the Auditor by prepaid registered mail or by personal delivery not less than 21 days (but not more than 60 days) prior to such meeting, and will state:

- (a) the time, date and place of such meeting; and
- (b) in general terms, the nature of the business to be transacted at the meeting.

9.4 - Record Dates.

For the purpose of determining the Limited Partners who are entitled to vote or act at any meeting or any adjournment thereof, or for the purpose of any other action, the General Partner may from time to time, provided that each Limited Partner is given notice by prepaid registered mail or by personal delivery at least twenty days prior to such action, cause the transfer books to be closed for such period, not exceeding 30 days, as the General Partner may determine; or without causing the transfer books to be closed the General Partner may fix a date not more than 60 days prior to the date of any meeting of Partners or other action as a record date for the determination of Limited Partners entitled to vote at such meeting or any adjournment thereof or to be treated as Limited Partners of record for purposes of such other action, and any Person who was a Limited Partner at the time so fixed shall be entitled to vote at such meeting or any adjournment thereof even though he has since that date disposed of his Units, and no Limited Partner becoming such after that date shall be a Limited Partner of record for purposes of such action. A Person shall be a Limited Partner of record at the relevant time if the Person's name appears as a Limited Partner in the Record as amended and supplemented at such time.

An information circular will contain, to the extent that it is relevant and applicable, the information prescribed for information circulars by Applicable Securities Law.

9.6 - Proxies.

Any Limited Partner entitled to vote at a meeting may vote by proxy if the proxy has been received by the General Partner or the chairman of the meeting for verification prior to the commencement of the meeting.

9.7 - Validity of Proxies.

A proxy purporting to be executed by or on behalf of a Limited Partner will be considered to be valid unless challenged at the time of or prior to its exercise. The Person challenging the proxy will have the burden of proving to the

satisfaction of the chairman of the meeting that the proxy is invalid and any decision of the chairman concerning the validity of a proxy will be final. Proxies shall be valid only at the meeting with respect to which they were solicited, or any adjournment thereof, but in any event shall cease to be valid one year from their date. A proxy given on behalf of joint holders must be executed by all of them and may be revoked by any of them, and if more than one of several joint holders is present at a meeting and they do not agree which of them is to exercise any vote to which they are jointly entitled, they will for the purposes of voting be deemed not to be present.

9.8 - Form of Proxy.

Every proxy will be substantially in the form as may be approved by the General Partner or as may be satisfactory to the chairman of the meeting at which it is sought to be exercised.

9.9 - Revocation of Proxy.

A vote cast in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death, incapacity, insolvency or bankruptcy of the Limited Partner giving the proxy or the revocation of the proxy unless written notice of such death, incapacity, insolvency, bankruptcy or revocation shall have been received by the chairman of the meeting prior to the commencement of the meeting.

9.10 - Corporations.

A Limited Partner which is a corporation may appoint by instrument in writing an officer, director or other authorized Person as its representative to attend, vote and act on its behalf at a meeting of Partners.

9.11 - Attendance of Others.

Any officer or director of the General Partner, legal counsel for any Partner or the Partnership and representatives of the Auditor will be entitled to attend any meeting of Partners. The General Partner or Limited Partners, by Ordinary Resolution, may authorize the presence of any Person at a meeting regardless of whether the Person is a Partner. With the approval of the chairman of the meeting, that Person is entitled to address the meeting.

9.12 - Chairman.

The General Partner may nominate a Person, including, without limitation, an officer or director of the General Partner, (who need not be a Limited Partner) to be chairman of a meeting of Partners and the Person nominated by the General Partner will be chairman of such meeting unless the Partners elect another chairman by Extraordinary Resolution.

9.13 - Quorum.

A quorum at any meeting of Partners will consist of two or more Limited Partners present in Person or represented by proxy holding at least 10% of the outstanding Units. If, within half an hour after the time fixed for the holding of such meeting, a quorum for the meeting is not present, the meeting:

- (a) if called by or on the requisition of Limited Partners, will be terminated, and
- (b) if called by the General Partner, will be reconvened at the same time and place on the day which is 14 days later (or if that date is not a business days, the first business days after that date). The General Partner will give three days' notice to Limited Partners of the date of the reconvening of the adjourned meeting and, at such reconvened meeting, the quorum will consist of the Partners then present in person or represented by proxy.

9.14 - Voting.

Every question submitted to a meeting:

- (a) which requires an Extraordinary Resolution under this Agreement, will be decided by a poll; and

- (b) which does not require an Extraordinary Resolution, will be decided by an Ordinary Resolution on a show of hands unless otherwise required by this Agreement or a poll is demanded by a Partner, in which case, a poll will be taken;

and in the case of an equality of votes, the chairman will not have a casting vote and the resolution will be deemed to be defeated. The chairman will be entitled to vote in respect of any Units held by him or for which he may be a proxyholder. On any vote at a meeting of Partners, a declaration of the chairman concerning the result of the vote will be conclusive.

On a poll, each Person present at the meeting will have one vote for each Unit in respect of which he is shown in the Record as amended and supplemented as the Unitholder at the record date and for each Unit in respect of which he is the proxyholder or representative. Each Partner, proxyholder or representative present at the meeting and entitled to vote thereat will have one vote on a show of hands. If whole Units are held jointly by two or more Persons and only one of them is present or represented by proxy at a meeting of Unitholders, such Unitholder may, in the absence of the other or others, vote with respect thereto, but if more than one of them is present or represented by proxy, they shall vote together on the whole Units held jointly.

The General Partner, as such, shall be entitled to one vote on any poll or on a show of hands at any meeting of Partners.

9.15 - Poll.

initiate the taking of, or take any other action at any meeting of Partners shall not come into existence or be effective in any manner unless and until, prior to the exercise of any such right or the taking of any such action, the Partnership has received an opinion of counsel advising the Limited Partners as to the effect that the exercise of such rights or the taking of such actions may have on the limited liability of any Limited Partners other than those Limited Partners who have initiated such action, each of whom expressly acknowledges that the exercise of such right or the taking of such action may subject each of such Limited Partners to liability as a general partner under the Act or similar legislation in Canada.

The General Partner will cause minutes to be kept of all proceedings and resolutions of every meeting and will cause all such minutes and all resolutions of the Partners consented to in writing to be made and entered in books to be kept for that purpose. SCHEDULE A

MANAGEMENT AND PERFORMANCE FEES

The following fees shall be payable by the Partnership to the General Partner and Manager in consideration for their services hereunder:

- (a) A maximum quarterly management fee ("Management Fee") equal to 0.625% of Net Asset Value calculated as at 5:00p.m. (Toronto time) on the Fiscal Quarter Date in each year, and payable within 20 days following the Fiscal Quarter Date.

- (b) The Manager is entitled to receive a performance incentive fee ("Performance Fee") in addition to the basic Management Fee. The Performance Fee payable, if any, is calculated and payable quarterly at the end of each calendar quarter (a "Calculation Quarter") based on the Partnership's performance. At the time of each purchase of Units by a Unitholder, the Net Asset Value is referred to as the Unitholder's initial "High Water Mark" for those Units. A Performance Fee will not be payable in respect of a Unitholder's investment in Units unless and until the Net Asset Value per Unit on the last Valuation Date of a subsequent Calculation Quarter exceeds the Unitholder's initial High Water Mark as ascribed to those Units. When this happens, the Net Asset Value per Unit (net of all Management Fees, Performance Fees and expenses) on the last Valuation Date of that Calculation Quarter becomes the Unitholder's new "High Water Mark" for those Units. The Performance Fee payable in respect of a Unitholder's Units for any Calculation Quarter will be equal to 20% of the increase, if any, of the Net Asset Value Per Unit on the last Valuation Date of that Calculation Quarter over the Unitholder's High Water Mark at the commencement of that Calculation Quarter, multiplied by the number of Units held by the Unitholder on the last Valuation Date of the Calculation Quarter.

A commission in the amount of 20% of the quarterly Performance Fee collected by the General Partner is paid to registered dealers. The Performance Fee based commission for each registered dealer is calculated for each of the dealer's Unitholder(s) on an individual basis in order to determine total fee payable.

SCHEDULE B

CLASSES OF UNITS

CLASS A UNITS

All Units of the Partnership, other than Side Pocket Units, are of a single class designated as Class A Units. The features and attributes of the Class A Units are as set out in this Agreement. For greater certainty, all references in this Agreement to “Units” mean Class A Units, except where specifically referring to Side Pocket Units.

SIDE POCKET UNITS

Creation and Issuance

The General Partner may, in its sole discretion and at any time, create one or more classes of Units designated as a “Side Pocket Class” (Units of which class are referred to as “Side Pocket Units”) and allocate and attribute to the Side Pocket Class (i) such private securities or other investments (“Side Pocket Investments”) that the General Partner determines, in its sole discretion, to be illiquid, difficult to value, subject to lock-up or non-redemption provisions, subject to other special circumstances, or which it may be prudent, necessary or desirable to segregate from other assets or investments of the Partnership, and (ii) cash in such amount as the General Partner deems appropriate to facilitate the payment of Management Fees, Performance Fees and expenses out of such Side Pocket Class.

Each investor who is a Limited Partner at the time a Side Pocket Investment is acquired by the Partnership, or at the time an existing investment is designated a Side Pocket Investment by the General Partner, shall be issued Side Pocket Units of the newly created Side Pocket Class pro rata to such Limited Partner’s percentage holding of Units (other than Side Pocket Units) at that time. Subsequently admitted Limited Partners will not acquire an interest in any existing Side Pocket Investments or in any existing Side Pocket Class to which such investments are allocated and shall accordingly not participate in the gain, loss or income of the Side Pocket Units constituting any such existing Side Pocket Class. However, such subsequent Limited Partners will acquire interests in any future Side Pocket Classes created after they become investors in the Partnership. Fractional Side Pocket Units may be issued.

The Partnership may, at the discretion of the General Partner, issue multiple series of Units within a Side Pocket Class in order to isolate the ownership of different Side Pocket Investments. The designation by the General Partner of a Side Pocket Investment and its allocation to a newly created Side Pocket Class may apply in respect of any type of investment whatsoever. There is no limit on the size of any Side Pocket Class or on the portion of investments of the Partnership which can be allocated to a particular Side Pocket Class or to Side Pocket Classes in aggregate.

Valuation

Side Pocket Investments will be carried at their fair value as determined by the General Partner (the “Side Pocket Allocation Value”). Each Side Pocket Class shall, for internal accounting and Net Asset Value calculation and valuation purposes and for the purposes of determining the rights and entitlements of holders of each class of Units (including such Side Pocket Class) to income and profits of the Partnership between themselves, constitute and be treated as a separate pool of assets of the Partnership and as a separate class of Units.

On each Valuation Date, the General Partner shall cause a separate Net Asset Value to be calculated for each class of Units (including Side Pocket Classes) and a separate Net Asset Value per Unit for each class of Units. The Net Asset Value per Side Pocket Unit of each Side Pocket Class shall be calculated by determining first the proportion of the Net Asset Value of the Partnership as a whole attributable to such class (on the basis of the rules and principles set out in this Agreement) and by then dividing the Net Asset Value attributable to such class by the number of outstanding Side Pocket Units of such class. Any expenses relating specifically to a Side Pocket Class will be charged to the Limited Partners participating in such class. A Side Pocket Investment shall be valued at the Side Pocket Allocation Value unless and until the General Partner in its sole discretion determines that in view of any change of circumstances (including, without limitation, when it becomes possible to re-value a previously difficult to value investment or when an originally illiquid investment becomes more or less liquid), it is appropriate to adjust the value of any Side Pocket Investment.

Redemption

Side Pocket Units are not redeemable at the option of Limited Partners, and may only be redeemed at the discretion

of the General Partner following a “Realization Event” as provided below.

Realization Events

A “Realization Event” occurs when (i) a Side Pocket Investment is liquidated, sold or otherwise disposed of by the Partnership, or (ii) the General Partner determines in its sole discretion that any investment held by the Partnership no longer constitutes a Side Pocket Investment for any reason including, without limitation, that the investment has become sufficiently liquid (whether through a public offering of securities or otherwise), is appropriately priced or can be valued with reasonable accuracy, or if for any other reason in the opinion of the General Partner it is no longer necessary or desirable for the investment to be segregated from other assets or investments of the Partnership.

Upon the occurrence of a Realization Event, the General Partner may in its discretion take any one or more of the following actions:

- (a) sell or otherwise dispose of the Side Pocket Investment in the open market, redeem such portion of the Side Pocket Units as is equivalent in value (based on the re-calculated Net Asset Value per Side Pocket Unit after the disposition of the Side Pocket Investment) to the net proceeds of disposition (after deducting any costs, expenses, taxes and other liabilities relating to such disposition), and distribute to the relevant Limited Partners their respective redemption proceeds by issuance of Class A Units (at the then prevailing Net Asset Value per Unit for such class) equal in value to such net proceeds of disposition of the Side Pocket Investment less any accrued Management Fees or Performance Fees attributable to such Side Pocket Investment; or
- (b) re-value such investments which no longer constitute a Side Pocket Investment, allocate and attribute such investments from the Side Pocket Class to the Class A Units and thereafter redeem such portion of the Side Pocket Units as is equivalent in value to the value of such investments (re-valued as aforesaid) and distribute to the relevant Limited Partners their respective redemption proceeds by issuance of Class A Units (at the then prevailing Net Asset Value per Unit for such class) of equivalent value, less any accrued Management Fees or Performance Fees attributable to such Side Pocket Investment.

Class A Units issued to Limited Partners in accordance with the foregoing provisions may be subsequently redeemed at the option of Limited Partners subject to the then prevailing redemption restrictions and limitations of the Partnership.

The redemption proceeds payable to Limited Partners in relation to the redemption of Side Pocket Units shall be net of fees and expenses, including any accrued Management Fees or Performance Fees payable with respect to such Side Pocket Units.
