**AND TO:** TERA CAPITAL G.P. NO. 2 LIMITED (the "**General Partner**")

**AND TO:** TERA CAPITAL CORPORATION (the "**Manager**")

### FOR PURCHASE OF CLASS A UNITS OF TERA CAPITAL GLOBAL INNOVATION LP

---

The undersigned (the "**Subscriber**") hereby acknowledges receipt of

- (a) this Subscription and Power of Attorney (including the annexed Schedule A - Statements of Policies of Tera Capital Corporation, Schedule B - Certificate of Exempt Status with Certification as to Accredited Investor Status, and (if required) a Disclosure of Referral Arrangement, collectively referred to as this "**Subscription Agreement**");
- (b) a copy of the current Partnership Agreement of the Partnership;
- (c) a copy of the most recent audited annual financial statements of the Partnership, and, if there has been a subsequent interim financial statement of the Partnership, a copy thereof; and
- (d) a copy of the Partnership's most recent Discussion of Financial Risk Management and of any other reports and information provided by the Partnership to its Limited Partners within the last twelve months;

(such documents are collectively referred to as the "**Subscription Package**"), in connection with an offering of Class A limited partnership units (the "**Units**") in the Partnership, which is an Ontario limited partnership.

The Subscriber hereby irrevocably offers to purchase and pay for Units of the Partnership (the "**Subscribed Units**") at a price per Unit and for a total purchase amount and value (the "**Subscription Price**") as set forth in Section 19(a) hereof, subject to the terms and conditions set forth herein. The Subscriber acknowledges that this subscription is not binding on the Partnership until accepted, in whole or in part, by each of the General Partner, on behalf of the Partnership, and the Manager, each in its sole discretion acting reasonably.

#### 1. Partnership Agreement

The Subscriber acknowledges and agrees that if this subscription is accepted by the General Partner on behalf of the Partnership, the undersigned will become (i) a party to and be bound by the limited partnership agreement in the form provided herewith (as the same may be amended from time to time, the "**Partnership Agreement**") among the General Partner and each party who, from time to time, is or becomes a limited partner in accordance with the terms of the Partnership Agreement and (ii) liable for all obligations of a Limited Partner. The Partnership Agreement is incorporated by reference in this Subscription Agreement, and is deemed to be part hereof. In consideration of the General Partner accepting this Subscription Agreement and conditional thereon, the Subscriber hereby agrees to be bound, as a party to and as a Limited Partner, by the terms of the Partnership Agreement, as if the Subscriber had executed the Partnership Agreement and hereby ratifies and confirms, for all legal purposes, execution of Partnership Agreement on behalf of the Subscriber and all actions taken on behalf of the Subscriber pursuant thereto and affirms that by virtue of these presents, the Subscriber becomes a party thereto and will be liable for all obligations of a Limited Partner.

The Subscribed Units will be issuable pursuant to the Partnership Agreement. Capitalized terms used but not defined herein have the meanings ascribed thereto in the Partnership Agreement. In the event of a conflict between the provisions of this Subscription Agreement and the Partnership Agreement, the provisions of the Partnership Agreement shall prevail.

#### 2. Amount Payable

The Subscriber will pay the Subscription Price, in cash or in kind or partly in kind (including acceptable managed account securities owned by the Subscriber that are held in an account under discretionary management by the Manager in its capacity as a portfolio manager), required to purchase the Subscribed Units and if by cash in whole or in part, by certified cheque, wire transfer or bank draft payable to the Partnership to be held in trust for the Subscriber by the General Partner or the General Partner's designate and released in order to be applied to the purchase hereof. The Subscriber acknowledges that acceptable managed account securities will be valued at a price determined by the Manager, acting reasonably, and hereby authorizes and instructs the Manager to apply the value of such securities in satisfaction of the Subscription Price. The Subscriber hereby authorizes and instructs the General Partner or the General Partner's designate, as the case may be, to deal with the Subscription Price on the terms set forth herein.

### 3. Acceptance of Subscription

The Subscriber acknowledges and agrees that participation in the Partnership is subject to the acceptance of this subscription in whole or in part by each of the General Partner and the Manager, which acceptance shall be in its sole discretion acting reasonably, to payment of the Subscription Price and to certain other conditions set forth in the Subscription Package, including in particular the Partnership Agreement. The General Partner and the Manager reserve the right to close the offering of Units at any time without notice. The Subscriber acknowledges that they will become parties to the Partnership Agreement and liable for all obligations of a Limited Partner upon acceptance of this subscription by the General Partner, in accordance with the Partnership Agreement, and that the General Partner will or will cause to be registered in the register kept by it for that purpose the Units subscribed for by the Subscriber herein in accordance with the information contained herein.

### 4. Conditions of Closing

The obligations of the Partnership to sell the Subscribed Units to the Subscriber and to admit the Subscriber as a limited partner of the Partnership is subject to the following conditions being fulfilled or performed on or before the time of issuance of Subscribed Units, which conditions are for the exclusive benefit of the Partnership and the General Partner and may be waived, in whole or in part, by the General Partner in its sole discretion:

- (a) the Subscriber delivering or causing to be delivered the following, in trust:
  - (i) one fully completed and duly executed copy of this Subscription Agreement, including all relevant Schedules and all other documentation contemplated by this Subscription Agreement;
  - (ii) consideration in cash or in kind or partly in kind (including securities of the Subscriber held on account with the Manager) and if by cash in whole or in part, a certified cheque, wire transfer or bank draft or such other method of payment acceptable to the General Partner, representing the Subscription Price for the Subscribed Units;
- (b) each of the General Partner and the Manager accepting the Subscriber's subscription for the Subscribed Units in whole or in part, which acceptance shall be in its sole discretion, acting reasonably;
- (c) the offer, sale and issuance of the Units being exempt from the prospectus and registration requirements of Applicable Securities Laws (as used in this Subscription Agreement, "**Applicable Securities Laws**" means any and all securities laws including, statutes, rules, regulations, by-laws, policies, guidelines, orders, decisions, rulings and awards, applicable in the jurisdictions in which the Units will be offered, sold and issued);
- (d) the Subscriber executing and returning to the Partnership all relevant documentation required by Applicable Securities Laws in connection with the offer, sale and issuance of the Units to the Subscriber;

- (f) the representations and warranties of the Subscriber having been true and correct as of the date of this Subscription Agreement and being true and correct at the time of issuance of the Subscribed Units; and
- (g) all documentation relating to the subscription hereof shall be in form and substance satisfactory to the General Partner, acting on behalf of the Partnership.

### 5. Certificates for Units

The Subscriber acknowledges that a certificate representing the Subscribed Units will be available. The Subscriber will have his, her or its particulars, including the number of Subscribed Units subscribed for that have been accepted by the General Partner, inscribed in the register of unitholders kept by the General Partner. Such particulars are to be recorded in accordance with the registration instructions set out in Section 19(b) hereof. **The Partnership Agreement contains provisions regarding the procedures and costs involved in replacing lost, mutilated, damaged or destroyed certificates.**

## 6. Acknowledgments of the Subscriber

The Subscriber acknowledges, consents and agrees (on its own behalf and, if applicable, on behalf of any disclosed principal for whom the Subscriber is contracting hereunder (a "**Disclosed Beneficial Subscriber**"), and for greater certainty, any reference to the Subscriber in this Section 6 and in Section 7 below includes any Disclosed Beneficial Subscriber) that:

- (a) **AN INVESTMENT IN THE UNITS IS NOT WITHOUT RISK AND THE SUBSCRIBER (AND ANY DISCLOSED BENEFICIAL SUBSCRIBER) MAY LOSE HIS, HER OR ITS ENTIRE INVESTMENT;**
- (b) the decision to enter into this Subscription Agreement and purchase the Subscribed Units has not been based upon any verbal or written representation as to fact or otherwise made by or on behalf of the General Partner or its affiliates or the Partnership except as set forth in the Subscription Package;
- (c) it has read and fully understands the Subscription Package, including, in particular, the Partnership Agreement, and has had an opportunity to ask and have answered questions with respect to the Partnership;
- (d) the sale and delivery of the Subscribed Units to the Subscriber is conditional upon such sale being exempt from the registration and prospectus filing requirements of Applicable Securities Laws relating to the sale of the Subscribed Units or upon the issuance of such orders, rulings, consents or approvals as may be required to permit such sale without the requirement of obtaining registration or filing a prospectus;
- (e) no prospectus has been filed with any Regulator in connection with the offer, sale and issuance of the Units and no Regulator has made any finding or determination as to the merit for investment in, or made any recommendation or endorsement with respect to, the Units;
- (f) as set forth in the accompanying Schedule B, the Certificate of Exempt Status, the General Partner is required to file a report of trade with all applicable Regulators containing personal information about Subscribers of the Subscribed Units including, as applicable, any Disclosed Beneficial Subscriber;
- (g) the Subscribed Units will be subject to resale restrictions under Applicable Securities Laws and that, since the Partnership is not and has no current intention to become a "reporting issuer", or its equivalent, in any jurisdiction, this could result in a holder of Subscribed Units having to hold such securities for an indefinite period of time if no statutory exemption may be relied upon or if no discretionary order or ruling is obtained in respect of the resale of such securities;
- (h) the Subscriber or (if applicable) others for whom it is contracting hereunder will comply with all relevant securities legislation, rules, regulations and policies concerning any resale of the Subscribed Units and will consult with its legal advisers or counsel to the General Partner and the Partnership with respect to complying with all restrictions applying to any such resale;
- (i) the Subscribed Units shall not be transferred except in accordance with the terms and conditions of the Partnership Agreement;
- (j) no market exists for the Subscribed Units and none is likely to develop;
- (k) it has read the Discussion of Financial Risk Management included in the Subscription Package and has carefully considered the risks described therein;
- (l) the Subscriber acknowledges receipt of the statements of policies attached as Schedule A; and
- (m) there has been no other document provided to the Subscriber, in addition to the Subscription Documents, that purports to describe the business and affairs of the Partnership and appears to have been prepared primarily for delivery to and review by a prospective purchaser so as to assist the prospective purchaser to make an investment decision in respect of the securities being sold.

## 7. Representations, Warranties and Covenants of the Subscriber

The Subscriber hereby represents, warrants, acknowledges and covenants on its own behalf and on behalf of others, if any, for whom it is contracting hereunder, to the General Partner and to the Partnership (which representations, warranties, acknowledgments and covenants shall survive the issuance of the Subscribed Units and continue in full force and effect) that:

- (g) upon execution and delivery by the Subscriber and acceptance by the Partnership, this Subscription Agreement and the Partnership Agreement (when executed by or on behalf of the Subscriber) will each have been duly authorized, executed and delivered by, and will each constitute a legal, valid and binding agreement of, the Subscriber subject to:
  - (i) any applicable bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally; and
  - (ii) general principles of equity, including that the granting of equitable remedies is within the discretion of a court of competent jurisdiction;

**SCHEDULE A**  
**TERA CAPITAL CORPORATION**  
**Statement of Policies Regarding Conflicts of Interest**  
**in Certain Managed Account Transactions**  
**and in respect of Related Issuers and Connected Issuers**

November, 2015

The following is a full and complete statement of the policies of Tera Capital Corporation (“Tera Capital”, “we” or “us”) relating to managed account transactions involving certain “responsible persons” of Tera Capital, and the activities in which Tera Capital is prepared to engage as a portfolio manager in respect of securities of “related issuers” and, in the course of a distribution, “connected issuers” of Tera Capital.

**A. Policies Regarding Managed Account Transactions Involving “Responsible Persons” of Tera Capital**

Securities laws prohibit Tera Capital from knowingly causing an investment portfolio managed by it, including an investment fund for which Tera Capital acts as an adviser, to purchase a security of an issuer in which a “responsible person” or an associate of a responsible person is a partner, officer or director, unless (i) this fact is disclosed to the client, and (ii) the written consent of the client to the purchase is obtained before the purchase.

For these purposes, a “responsible person” includes

- (a) a partner, director or officer of Tera Capital, and
- (b) an employee, agent or affiliate (or a partner, director, officer, employee or agent of an affiliate) of Tera Capital if that person has access to, or participates in formulating, an investment decision made on behalf of a client of Tera Capital or advice to be given to a client of Tera Capital.

Currently, the only “responsible person” of Tera Capital is Howard Sutton, who is the President, portfolio manager, sole director and majority shareholder of Tera Capital.

No investment funds (“Tera Funds”) managed by Tera Capital may purchase a security of an issuer in which a responsible person of Tera Capital or an associate of such a responsible person is a partner, officer or director, except where all of the following circumstances apply:

- (i) Tera Capital identifies an early-stage operating company in any industry (the “Specified Issuer”) which it believes has significant growth prospects and which it believes would constitute a beneficial investment for the portfolio of one or more Tera Funds;
- (ii) Howard Sutton is the only responsible person of Tera Capital who is a partner, officer or director of the Specified Issuer;
- (iii) either the Specified Issuer is not a reporting issuer in any jurisdiction, or the Specified Issuer is a reporting issuer and Howard Sutton first became a partner, officer or director (as the case may be) of the Specified Issuer before the Specified Issuer became a reporting issuer; and
- (iv) Tera Capital determines in good faith that its investment in the Specified Issuer, while Howard Sutton serves on the board of directors of the Specified Issuer, is in the best interests of the Fund and its unitholders.

Where all of the foregoing circumstances apply, Tera Capital may make an investment in the Specified Issuer without requiring the client’s consent to that specific investment.

**B. Policies Regarding “Related Issuers” and “Connected Issuers”**

In this section:

- (i) We refer to a party as a “related issuer” of Tera Capital if, through the ownership of or direction or control over voting securities, we exercise a controlling influence over that party or that party exercises a controlling influence over us.
- (ii) We refer to a party as a “connected issuer” of Tera Capital if the issuer, or a related issuer of the issuer, has a relationship with any of the following persons or companies that may lead a reasonable prospective purchaser of the securities to question if Tera Capital and the issuer are independent of each other for the distribution: (i) Tera Capital, (ii) a related issuer of Tera Capital, (iii) a director, officer or partner of Tera Capital, or (iv) a director, officer or partner of a related issuer of Tera Capital.

It is the policy of Tera Capital that, subject always to compliance with the provisions from time to time of applicable securities and corporate legislation, regulations and policies and to the terms of its registration as a portfolio manager and exempt market dealer under securities law, Tera Capital is prepared to engage in the following activities in respect of securities of its related issuers and, in the course of a distribution, in respect of securities of its connected issuers (a current list of our related issuers and connected issuers is set out below):

- (a) As a registered portfolio manager, we may, in appropriate circumstances,
  - (i) recommend investment by a client in units of any of the Tera Funds; and
  - (ii) to the extent that we are authorized in writing by a client to trade in securities for the client's account on a fully discretionary basis without requiring the client's express consent to a transaction, we may invest the client's funds in securities of the Tera Funds.
- (b) As a registered exempt market dealer (and deemed underwriter), Tera Capital offers units of the Tera Funds on a prospectus-exempt basis to investors in all provinces and territories of Canada. No commission or sales charge is charged by Tera Capital to a purchaser in respect of an investment in units of the Tera Funds. The compensation of Tera Capital under such circumstances is limited to the management fee (including any applicable performance fees) received by it for managing the Tera Funds.

The following table sets out certain issuers that may be considered "related issuers" or, in the course of a distribution, "connected issuers" of Tera Capital.

Name of Issuer	Nature of Relationship to Tera Capital
Tera High Income Fund	Tera High Income Fund is an open-end mutual fund trust created under the laws of Ontario. It is not a reporting issuer. Tera Capital is the trustee, and the co-manager (together with Vestcap.), of Tera High Income Fund, and may also act as a distributor of securities of Tera High Income Fund.
Tera Capital Global Innovation LP	Tera Capital Global Innovation LP is a limited partnership formed under the laws of Ontario. It is not a reporting issuer. The general partner of Tera Capital Global Innovation LP is Tera Capital G.P. No. 2 Limited, which is a corporation incorporated under the laws of Ontario. Howard Sutton is the sole director, officer and shareholder of both Tera Capital and Tera Capital G.P. No. 2 Limited. Tera Capital is the manager of Tera Capital Global Innovation LP, and may also act as a distributor of securities of Tera Capital Global Innovation LP.

If you require further information concerning the relationship between Tera Capital and any issuer, please contact us.

Copies of, or revisions or amendments to, this Statement of Policies will be provided to each client in accordance with applicable law.

**in the Allocation of Investment Opportunities**

**January 2010**

Tera Capital Corporation (“Tera Capital”) is required by law to maintain standards directed to ensuring fairness in the allocation of investment opportunities among its clients and to furnish a copy of its established policies to each client and to file it with the appropriate regulatory authority.

It is the policy of Tera Capital to act fairly and impartially in the allocation of investment opportunities and order execution among client accounts that it manages. Occasions may arise when the quantity of securities in demand or supply at a particular price is insufficient to satisfy the requirements, based on concurrent decisions, of every such account. The principal determinant used by Tera Capital in allocating investment opportunities among its clients is the suitability of a purchase or sale as determined by the unique circumstances and needs of each client as set out in the statements of objectives and investment policy established for the clients’ accounts, as revised from time to time. Tera Capital’s policy is that no single account or type of account will receive preference in the allocation of investment opportunities.

When orders for more than one account are entered as a combined order, and transactions are executed at varying prices, Tera Capital will endeavour to treat all clients on a basis that is fair and reasonable in view of the nature of the particular transaction and the transaction costs. This may include calculating a weighted average execution price to be attributed to all accounts having orders included in the combined order.

Tera Capital will endeavour to ensure that orders and modifications or cancellations of orders are recorded and time-stamped.

When orders for more than one account are entered as a combined order and less than the total order is executed as a block, Tera Capital will generally attempt to make pro-rata allocations on the basis of order size. Tera Capital will also take into consideration the proportion of each client’s portfolio that the security represents, the weight of the industry or security type in the portfolio and the cash reserve position in the portfolio.

When orders for more than one account are entered as a combined order and the transactions are all executed at the same price, each client account will be given the same execution price. Subject to market conditions and stock exchange procedures, Tera Capital will use its best efforts to ensure that orders are processed and executed on a first-in, first-out basis.

In circumstances where Tera Capital considers a purchase of securities in an initial public offering to be appropriate for its clients, Tera Capital will allocate such securities to those accounts for which Tera Capital deems the initial public offering appropriate, on a pro-rata basis, subject to consideration of the proportion of each client’s portfolio that the security represents, the weight of the industry or security type in the portfolio and the cash reserve position in the portfolio.

Tera Capital has no strategic or tied relationship with any investment dealer. Client assets are either lodged with an independent custodian approved by Tera Capital, or with an investment dealer selected by the client. When a client elects to have its assets lodged with an investment dealer selected by the client through whom trades must be executed, the client must acknowledge that trades for its account may be on terms less favourable than similar trades effected for other clients. Where clients’ accounts are lodged with a custodian that provides trading services, Tera Capital may place trades for those clients through the custodian’s trading services.

No securities will be traded for the account of any associate or affiliate of Tera Capital until all similar trades for client accounts’ positions are completed. It is the policy of Tera Capital that no officer, director or employee shall purchase a security for his or her own account at the same time as Tera Capital is selling or recommending the sale of the same security for its clients, or vice-versa.

The foregoing policies and procedures will be revised from time to time in keeping with changes in regulatory requirements and industry practices. In the event of any such revision, Tera Capital will, as required, furnish a copy of the revised policies to each client and file it with appropriate regulatory authorities.
